

## Fantastic hotels for the perfect stay in Paris

Are you looking for the best hotel for your next stay in Paris? Here are some charming hotels likely to please you!

Have you planned to **stay in Paris** in the coming weeks or months, but have not decided yet where you will stay? It is true it is not always a piece of cake to get your bearings around the hundreds of **hotels** Paris enjoys. They are not worth it, some are located better than others - especially if you want to be close to the city's landmarks - and in terms of prices, although some are (rather) affordable, the cost can boom depending on where you will stay.

And yet, do not panic, we are here to help! To help you in your quest for the **ideal hotel** for your next stay in Paris, here are a selection of **nice hotels** that will be **perfect** for a **stay in Paris**. From luxury 5-star hotel to a local inn and very unusual places providing a night on the Seine or a bedroom with a private spa, you will find what you are looking for, so you can spend a very good night's sleep in fresh bedding.
